Hi Michelle,

Given that the TMDL program doesn't have a presence on the agenda, one idea is to set aside 10 minutes (15?) for the TMDL program (with Dave as lead) and list the Columbia River TMDL and the Deschutes TMDL as the two agenda items. That's just my two cents....

Laurie - Per our conversation I'm reaching out to you directly in case there are any WA TMDL projects/issues that need to be discussed during our PPA check-in. I am including CR TMDL under the CR item (it is not shown in this draft). Please review and let me know if there is anything additional needed.

Also, we are discussing talking points this Thursday at 10am (meeting info is below). Might be good for you to join that if you can. Don't know if Dave is planning on calling in for it or not.

Thanks!

Hi Everyone – As discussed at OWWET this morning, please find attached a revised draft agenda for our upcoming PPA water meeting with Ecology.

1. **Agenda final review** – I have incorporated revisions from Ecology and a few OWWET managers to this version. To help guide your review, please look at the following 3 things and let me know if you have any changes, or, are ok as is, **by COB tomorrow**:
  - agenda topic and associated detail
  - time allotted for topic
  - order of topics
2. **Talking Points** – we will discuss talking points this Thursday during OWWET from 10 – 10:30 am. Call in # is   access code    
Ex. 6 Personal Privacy (PP)
3. **Meeting logistics** – Start time is 9:30 in Lacey. I have left it up to Seattle folks and Bella to make car/van pool reservations for transportation. I/Lucy/Alison can greet you and escort you to the room. We will break for one hour for lunch. You can bring your own lunch or buy something at Ecology's cafeteria. And, as always, you are welcome to use WOO facilities (coffee room, conference room, ...) for any part of your stay while here. Meeting end time is scheduled for 2:00 pm.
4. **Need to call-in?** – If you won't be able to attend in person, we can set up a call-in number. I'm thinking of Cara or Mary Lou?

Let me know if you have any Qs or if I missed anything.

Thanks,  
Michelle
